*OH WHAT A BEAUTIFUL MORNING, OH WHAT A BEAUTIFUL DAY!*

## All-Alumni Picnic

Sunday, August 10, 2009

By John Christman  
Class of 1961

This article's title could easily have been our theme [song] for the entire day. We had absolutely PERFECT weather for a group picnic. It sure brought out the alumni too.

As a first timer who recently joined the *Bothell High School Alumni Association*, I was pleased to see what it is like to have a large *family* picnic. Already, I'm looking forward to next year's picnic and hope that you will be there to join us. It was an extra special treat when I was invited to fill the role of Archivist for the Class of 1959's 50<sup>th</sup> year class reunion. Meeting so many wonderful (new to me) alumni and friends went a long way toward making the picnic so memorable.

Interestingly, the Class of 1959 won the \$100.00 membership award for bringing in the most new members or renewals of inactive members to the *BHSAA*. Just prior to this announcement, their reunion committee presented the Association a donation from their event in the amount of \$100.00 to be put towards the scholarship fund.

Several nice door prizes were donated by local businesses, as well as board members of *BHSAA*, and auctioned off, raising \$323.00 for the treasury.

The Class of 1959 had the most alumni in attendance, followed by Class of 1954, Class of 1949, and Class of 1961. The oldest class year represented was 1939 and the youngest was Class of 2006.

***IN LOVING MEMORY***  
***DIXIE JOANNE PETERSEN McGINNIS***  
***Class of 1955***  
1936 -- 2009

It is with considerable sorrow that we must report that our very own, dedicated and hard-working Vice-President has moved on to a higher resting place for eternity. Fortunately for her, she no longer has to endure physical pain, as she did in the last few weeks of her life here on earth.

Dixie is survived by her mother, Margaret; three sisters, Carolyn, Deanna, and Kathy; three daughters, Lianne, Jolene, and Melanie; two son-in-laws, Terry & Larry; three grand-children and three great grand-children.

Dixie has been an icon with the Association since it was formed and was elected Vice President in 1995, where she has served faithfully ever since. She loved football, baseball, and being with family and friends. The family has asked that in lieu of flowers, to please make contributions to the *BOTHELL HIGH SCHOOL ALUMNI ASSOCIATION* in her memory. God bless you Dixie. We will all miss you!

## YOU'RE ON THE AIR!

### Todd Baker, Class of 1989

By Sherrill Grady Baker  
Class of 1952

Todd Baker, Class of 1989, grew up in *Maywood Hills*. His parents, Larry and Sherrill, were both teachers in the *Northshore School District*. His mother, formerly Sherrill Grady, a Bothellite since 1939, graduated from *Bothell High School* in 1952.

Todd's education consisted of a mix of public, private, and home schooling. He attended kindergarten and first grade at *Maywood Hills Elementary* and then transferred to *King's Garden* and *Heritage Christian* schools for second through seventh grades. Next, he was home schooled for one year and then returned to finish at *Canyon Park Junior High* and *Bothell High School*. He also did a brief stint at *Shoreline Community College*. Todd especially recalls the weekend keg parties in Woodinville in an area called "The Pits" as fun times during his high school years.

Baseball was a big part of Todd's life. He began playing *Little League* baseball at age eight and continued to play in other community programs up through *Junior American Legion* and later, adult leagues. He pitched the final game to win the 13 year old Dis-

trict 8 championship in 1984. Todd played in junior high, high school, and junior college, as well.

To earn extra money, he worked at a variety of jobs, beginning with being a paper boy and delivering the *Bothell Citizen*. Then, he painted houses with his dad during summers, and later worked at the *Bothell Furniture Store*, both in the warehouse and as a delivery man.

The following are questions and his answers from an interview regarding Todd's career as an On-Air Personality:

Q: When did you first become interested in being a "DJ" and later, a radio personality?

A: I was first interested as a young boy playing "DJ" in front of the home stereo with records and tapes, using a microphone given to me by my grandfather, Clarence Grady.

Q: What training did you receive to prepare you for becoming a radio personality?

A: I got my first on-air experience at *Bellevue High School* where I attended a vocational program in the afternoons of my junior year. All the area high schools at the time shared their vo-tech programs. Bellevue had a student-run radio station and TV program, and for me it was a no-brainer, as I often interrupted class to talk and be the center of attention, anyway. After high school, I attended the *Connecticut School of Broadcasting* (Bellevue, WA campus) to hone my skills.

Q: What and where was your first job?

A: Shortly after finishing broadcasting school, I found myself on-air in the middle of the night at a top 40 radio station in Gillette, Wyoming.

Q: What other places have you worked?

A: After a year in Wyoming, I returned to the Seattle area. The stations I worked at were KUBE, KPLZ, KQBZ and KJR-FM. From there I traveled to Los Angeles, where I worked at Westwood One, KBIG, KKGO FM, All Comedy Radio, and National Lampoon Radio over a period of ten years. With the rise in popularity of country music, I now find myself on the east coast working at a country station (96.9, The Kat) doing the PM drive time, in Charlotte, North Carolina.

Q: What do you like most about your job?

A: I am hired to talk and entertain people and they pay me for this!

Q: What are some of the interesting things about your job?

(Continued on page 6)

(Continued from page 5)

A: I get to travel around the country and broadcast from special events such as the *CMA Music Fest* in Nashville.

Q: What are the side jobs and perks that come as a result of being a radio personality?

A: Some of the side gigs would be commercial endorsements, public appearances such as introducing entertainers at concerts, and other things of that nature. Some of the great perks are concert tickets, CD's and the privilege of meeting a lot of celebrities.

Q: Have you ever been at a loss for words and how much of what you say is scripted?

A: Can't say that I have. What I say on the air is off the cuff and ad-libbed 99.9% of the time. I can't speak for all radio personalities, but for me, that's the only way I do a show.

Q: What is the most unusual or moving response you've received from a listener?

A: I once received an email from a listener who wanted to let me know how much she and her husband enjoyed the show in the afternoon. At the time I was doing the PM drive on KKG0 FM in Los Angeles. She conveyed to me that it was a little bit of levity and enjoyment every day on their way to her husband's chemotherapy treatment for brain cancer. A few months later I received a call from her informing me that she had lost her husband, but wanted me to know that I had been able to provide them with a little bit of joy. The opportunity to do that is truly God given and I thank *Him* for my being able to put a smile on the faces of people I usually never meet, especially those in circumstances such as theirs.

Q: Who is the most impressive entertainer you've met and what impressed you about them?

A: I would have to say Taylor Swift; especially given the way she handled the recent situation at the *MTV Video Music Awards*. She's a class act and is as nice and real as she is talented.

Q: Why did someone in Los Angeles want you to change your name?

A: Unknown to me at the time, there was a character actor also by the name of Todd Baker. He was a regular on the "The Gary Shandling Show," an HBO series. After I became somewhat successful, he felt I was infringing on his territory and causing him to lose work. He wanted me to add my middle initial to my name on the air to differentiate between us. That would have made me Todd E. Baker. Looks fine in print, but when spoken that becomes "Toddy Baker!" Long story short, he threatened legal action, called me on air several times, and finally went away when he realized he had no case as Todd Baker is my REAL name.

Q: Did you ever have an embarrassing incident happen on the air?

A: While on air at KUBE 93 in Seattle in the afternoon, we were doing a feature called "The Five O'Clock Traffic Jam" with a live in studio club DJ mixing on turn tables. We were getting ready to talk and the DJ (who's name I leave out) started to spin the record backward (as he always did) creating an effect on the air and accidentally sent the needle flying off the record. He didn't realize the mics were hot and yelled out "Oh Poop," only the word actually started with an S. As it was my show and my responsibility, I'm glad the FCC wasn't paying attention that day.

Q: In what ways has being a radio personality changed your life?

A: It's how I met my wife! I was hosting a show heard nationally at the time, and on the weekends I flew around the country to appearances in various markets where the show aired. I was changing planes in Philly, waiting for my delayed connection, when I noticed this beautiful girl talking on the phone. She eventually came and sat near me, and asked me if I had heard the announcement that had just been made about our flight. To this day I think she just wanted to talk to me, but she insists she really missed what they said! We ended up sitting next to each other on the flight (Ok, I changed my seat and plunked myself down next to her) and a year and a half later we were married.

Q: How long have you been in radio and what formats and other jobs have you done as part of your career?

A: I have done many formats during my eighteen years in radio, including top 40's and 80's, classic hits, adult contemporary, talk, and most recently, country. I've also done nationally syndicated shows, some of which have been heard around the world.

(Continued on page 7)

(Continued from page 6)

In addition, I served as president of Programming/Network General Manager at *National Lampoon Radio* and before that was the Operations Manager for *All Comedy Radio*.

Q: How has the business changed since you became a part of it?

A: When I started, it was a growing business, and I played these new things called CD's. Now it's a shrinking industry and the computer plays the music.

Q: What do you enjoy doing in your spare time?

A: Spending time with my wife, Crysanne, golfing, hiking, biking, and scuba diving. I also enjoy watching football and baseball.

For those who are country music fans, you can listen to Todd from 12 to 4 PM PST, Monday through Friday. The web site is [www.wkktfm.com](http://www.wkktfm.com). His show features caller interaction, artist interviews, pop culture, and current events.

## COMMUNITY CORNER

### *What's New In Your Hometown?*

By Carole Wikel Johnson  
Class of 1967

### **NEW FIRE CHIEF**

Bob Van Horne assumed his new position as the City of Bothell's Fire Chief on September 21, 2009. Previously, Van Horne had served as Deputy Fire Chief for Renton, having worked his way up from beginning as a firefighter in 1981. He was selected from 37 original applicants, narrowed through in-depth interviews. The Fire Chief supervises nine civilian and 54 uniformed employees and is responsible for all fire and EMS services for the community.

### **GREEN BUILDING INCENTIVES**

Bothell is one of the first cities in Washington state to provide incentives for *Green* construction. The Bothell City Council adopted new regulations this summer to provide incentives for green building. The Bothell Vision Statement was revised to add the commitment "to live and work in ways that meet the needs of the present without compromising the ability of future generations to meet their own needs."

Incentives include reduced fees and parking requirements for certified green buildings. Under the newly created "Green Planned Unit Development," lot sizes and street widths may be reduced in exchange for constructing energy efficient buildings. Green features include natural lighting, improved indoor air quality, and use of pervious pavement, among others. The goal is healthier living conditions and decreasing human impact on ecosystems.

### **BOTHELL GETS A+ ON STATE AUDIT**

Citizens of Bothell can rest assured that the city is accountable for their tax dollars. The Washington State Auditor's office conducts annual audits on cities to verify compliance

with state laws, as well as each city's adopted policies. This year's focus included scrutinizing financial reporting, federal compliance, safeguarding assets, and restricted revenues.

The City of Bothell was notified by the state that they had zero audit findings, making 2009 the eighth year in a row with this stellar performance.

### **CITY GOVERNMENT**

The *Bothell City Council*, comprised of seven members with equal decision making powers, establishes policy and governs the city. The members are elected by citizens and serve a four-year term. Positions are part-time and non-partisan. The council meets three times each month, except August.

The *City Council* elects a Mayor and Deputy Mayor to serve a two-year term. The Mayor presides over meetings and participates and votes as other members, but has no veto powers. He also acts as ceremonial representative at public functions and has the authority to declare an emergency. In his absence, the Deputy Mayor assumes responsibilities, and the Mayor appoints a council member to act in the absence of both.

#### CHILDREN

- You spend the first two years of their life teaching them to walk and talk. Then, you spend the next sixteen telling them to sit down and shut up.
- Grandchildren are God's reward for not killing your own children.
- Mothers of teens now know why some animals eat their young.
- Children seldom misquote you. In fact, they usually repeat word for word what you shouldn't have said.
- We child proofed our homes, but they are still getting in.
- Advice: Be nice to your kids. They choose your nursing home.

## MEMBERSHIP

The Association has experienced financial difficulty during this economy, as people cut back to basics. Membership has dropped, reducing revenue, while costs continue to climb. By-laws dictate that 50 % of revenue goes to operation, with the balance to scholarship, which resulted in a shortage in the operating budget recently. The board made a few changes in an effort to not raise dues and potentially lose more members. First, the bylaws have been amended to apply 70% to operations and 30% to scholarships. In addition, a smaller storage unit now stores archives and business materials and we dropped the size of our post office box. (Please note our new address is P. O. Box 554 instead of 298) We also now offer online newsletters for a discount, which saves on postage. (Please consider this option.) It may also be necessary to discontinue mailing membership cards to save on postage. **If any alumni wish to help with these shortcomings, donations are greatly appreciated and may be made in honor of or in memory of individuals or classes.**

### IN MEMORY OF...

### DONATIONS

If you wish to make a donation "in memory of" someone special, please include this information with your remittance, and we will publish your gift of remembrance. (The membership form at the back of this newsletter has options for donations.)

Thank you to the following alumni for their donations:  
Class of 1959 for their donation of \$100.00  
Ron Nardone, Class of 1961  
Bobby Stinson, Class of 1963  
Jerry Forell, Class of 1962

### MEMORIAL GIFTS

A *Bothell High* scholarship is another way to honor a friend or loved one who has departed. The scholarship fund is a great way for a friend or fellow classmate to express their love or friendship. Show your appreciation or sympathy during times of sorrow or note the anniversary of someone's passing. When a memorial is received, an acknowledgement is sent recognizing your contribution to the *BHSAA* Scholarship Fund. The amount of your gift is not disclosed.

## NOTICES

- The Association always wants old newspaper clippings, annuals, programs, and other BHS keepsakes and memorabilia. If you can contribute anything, notify Bev at 425-488-8260 or e-mail: [info@bhs-alumni.net](mailto:info@bhs-alumni.net)
- ANNOUNCEMENTS for reunions, alumni meetings, and other notices: Please let us know which local newspapers you would like us to place them in, other than the *Times* which is too costly for our budget.
- DIDN'T RECEIVE YOUR NEWSLETTER? Inform the Association right away. Mark your calendar for July and December, when they are distributed.
- ADDRESS CHANGES: Notify us of any changes *before* we mail our newsletters, as the cost increases substantially with subsequent mailings.

### ASSOCIATION MEETINGS:

Meetings are held at *The Lyon's Den*, 10415 Beardslee Blvd., Bothell (425-398-9792), located across from the Bothell Post Office. Contact Bev Niemeyer Schmer for directions or information at 425-488-8260 or e-mail [info@bhs-alumni.net](mailto:info@bhs-alumni.net).

#### Notes:

- Board Meetings are at 9:00 am, lasting not more than 1 hour before the regular meeting begins. All may attend board meetings but only board members and officers can vote. New faces are encouraged.
- The meeting location allows attendees to order food and enable us to mix business with pleasure. We hope this will encourage more to join in.

## BHSAA CHARTER MEMBERS

The following list of charter members of *BHSAA* represents people that believed in an idea. They gathered as alumni with a goal to bring together other BHS alumni for the purpose of preserving *Bothell High School* history, reuniting classmates, and giving back to their alma mater through a scholarship.

A meeting to see if there was interest in the endeavor was held at Ricketts Building in Bothell in the fall of 1994. Thanks to the expertise of Hal Edwards, Class of 1950, the Articles of Incorporation were signed October 27, 1994 and the by-laws were signed on November 12, 1994. On November 29, 1995, we were granted a 501 (c) (3) status.

#### Smart splinter remover:

Pour a drop of Elmer's Glue-All over the splinter, let dry, and peel the dried glue off the skin. The splinter sticks to the dried glue.

#### Cleaning liquid that doubles as bug killer:

If menacing bees, wasps, hornets, or yellow jackets get in your home and you can't find the insecticide, try a spray of

Formula 409. Insects drop to the ground instantly.

## Happy 60th Birthday Class of 1967

Most members of the Class of 1967 will turn 60 years of age by the end of 2009. With this milestone in mind, Carolyn Wilson Gabrielson, a 1967 alumna, hosted a birthday party at her home in Enumclaw to gather alumni together to celebrate. With limited contact information, not much time for preparation, and short notice, twelve alumni and one spouse showed up on Saturday, October 17, 2009. Food, drink, and good conversation made the day one to remember. Several photos were taken and shared and are available for viewing on the Class of 1967 *Facebook* group page mentioned above. A few are included below:

## A WORD FROM THE PREZ'

By Chuck Kaysner  
Class of 1963

### *The Blue Train*

The 4A No. 2 ranked *Cougar* football team had a great season ending with an 8-0 record in KingCo 4A. Besides an offense that has put a lot of points on the board, the defense has really been stingy, giving up only three touchdowns and one field goal. Game scores include the following: 34-14 versus *Issaquah*, ranked No. 9 at the time; 25-0 versus *O'Dea*, ranked 3A No. 7 at the time; 54-0 versus *Redmond*, 60-0 versus *Lake Washington*, 42-6 versus *Ballard*, 53-3 against rival, *Woodinville*; 26-0 versus *Inglemoor* in the "Spaghetti Bowl," and 55-0 versus *Roosevelt* at Homecoming on October 23. Next up was *Skyline*, ranked No. 1 for the KingCo 4A title. The game is to be played at *Pop Keeney* this year, a re-match of last year's conference championship. State playoff games are on the horizon again. The *Train* has produced a lot of highlights in their games at *Pop Keeney Field*, that could be shown on that flashy new scoreboard that became operational in August.

### *Homecoming*

Homecoming was a real success for the football team, even in the rain. I want to thank Karin Bagnall Poage, Class of 1974, our Homecoming Chair again this year, for her efforts organizing a crew for the *Alumni Association* booth. She also supplied Association hats that were given to alumni who stopped by. Also, a big thank you to Sandra Gollofon, Class of 1974, Susan Gollofon Meyers, Class of 1971, Mary Moyer Chappron, Class of 1971 and husband Alan, (*Roosevelt* grad), Elizabeth Jung Brumfield, Class of 1998, Danielle Rowe, Class of 1998, and Bridget Kennedy, Class of 2005, for helping in the booth. Additional thanks go to Mike Dale, Class of 1974, *Pop Keeney Field* manager, and the school district for supplying the booth and lighting.

**Happiness lies in the joy of achievement and the thrill of creative effort.**

--Franklin D. Roosevelt, 32nd president of the United States

# ALUMNI BUSINESS DIRECTORY

The Association offers advertising in the newsletter to promote alumni businesses. Proceeds are used to publish the newsletter without dipping into the general fund. If you would like to participate, send a business card with your name, address, e-mail address, class year, and maiden name, if applicable, plus \$10.00 per issue. Newsletters are distributed twice yearly to members and the most recent issue is handed out at Homecoming and the All-Alumni Picnic. Please use the form below to reserve your advertising spot. Be sure to complete bottom lower right section.

The Association thanks Kennedy McGill, Class of 1994, for organizing the first annual Alumni Golf Tournament. Thanks to his hard work, \$125.00 was raised for the Association. We look forward to this event each summer prior to the All-Alumni picnic.

(Pass this application on to another BHS alumnus if you don't need it. Help spread the word so our association will grow. We need more alumni to join and support the fine volunteer organization that is BHSA.
